

Plant Tycoon Seed Catalog

by sfrose

Seeds shown are foliage types divided into "Tiers" based on their availability and viability. For each seed type, there are flower types that are also divided into "Tiers". The viability of the plant depends on the tiers of **both** the foliage and flowers.

Tier 1 foliage and flowers can be found in the starter plants, seeds, and common seeds in the Supply Store. They will survive in all soil levels.

Tier 2 foliage and flowers can initially be bred from Tier 1 foliage and flowers. They can also be found in the endangered seeds in the Supply Store. They will survive best in upgraded soil, but with TLC can survive for some breeding programs at the basic soil level.

Tier 3 foliage and flowers can initially be bred from cross-pollinating Tier 1 and Tier 2 foliage and flowers. They can also be found in the endangered and extinct seeds in the Supply Store. They will survive only in the best soil, but with TLC *some* can survive for some breeding programs at the first upgraded soil level.

Cross-pollinating Tier 3 plants with other Tier 3 plants, or combinations of Tier 1, 2 and 3 foliage and flowers may result in new and exciting species for you to discover.

Tier 4 foliage and flowers are extremely rare! They can **not** be initially bred from cross-pollinating, but special chemicals are needed to find them. However, they can also be found in the extinct seeds in the Supply Store. They will survive only in the best soil, and are not known to be able to survive in the lower grade soils.

Revision 1 (Sept. 8, 2007): The names of two Tier 4 foliage seeds were inadvertently reversed.

Tier 1 Seeds

Tier 1	Tier 2	Tier 3	Tier 4
bluestar	daisy	aureus	arthurium
citrus	fragrant	fabled	baccatus
fourpetal	rosaceae	blazing	lilia
jalapa	venomous	mela	tahitian
spotted		mystic	tilia
		nox	venus
		painted	
		viola	

Tier 1				
				astera
				ball cactus
				maple
				maranta
				reptans

Tier 2 Seeds

Tier 1	Tier 2	Tier 3	Tier 4
bluestar	daisy	aureus	arthurium
citrus	fragrant	fabled	baccatus
fourpetal	rosaceae	blazing	lilia
jalapa	venomous	mela	tahitian
spotted		mystic	tilia
		nox	venus
		painted	
		viola	

Tier 2				
				fern
				grass
				pipe cactus
				lemonbush

Tier 3 Seeds

Tier 1	Tier 2	Tier 3	Tier 4
bluestar	daisy	aureus	arthurium
citrus	fragrant	fabled	baccatus
fourpetal	rosaceae	blazing	lilia
jalapa	venomous	mela	tahitian
spotted		mystic	tilia
		nox	venus
		painted	
		viola	

				Tier 3
				ananas
				bamboo
				fanleaf
				orchid
				gladius
				pear cactus
				rare oak
				scandens

Tier 4 Seeds

Tier 1	Tier 2	Tier 3	Tier 4	
bluestar citrus fourpetal jalapa spotted	daisy fragrant rosaceae venomous	aureus fabled blazing mela mystic nox painted viola	arthurium baccatus lilia tahitian tilia venus	
				Tier 4
				glaber
				multiflora
				pitcher
				ridgeball
				tigerfern
				weeper
